## TECHNICAL DATA SHEET LITHIUM GREASE

Ref. : 26400

### 1. GENERAL DESCRIPTION

Heavy duty lubricant . A high-quality, multi-purpose grease for automotive, shop and home use.  
Provides long-lasting lubrication with excellent water and heat resistance.  
It is smooth and buttery in consistency for optimum surface coverage.

### 2. FEATURES

- Contains rust and oxidation inhibitors ensuring superior metal protection.
- Produces a high viscosity film.
- Suitable as a water-proof lubricant due to its water resistant qualities.
- Reduces friction and wear in metal-to-metal and metal-to-plastic applications.
- Sprays like an oil, but sets like a grease.
- Suitable for vertical surfaces, does not run or drip.
- Aerosols use butan-propane propellant to maintain high pressure to the very last fluid in the can.

### 3. APPLICATIONS

Long lasting lubrication and protection of:

- Brake and gear shift mechanisms
- Hinges
- Latches
- Cables
- Tracks
- Open gears and chains
- Slide conveyors
- Guide rails
- Battery terminals
- Antennas
- Speedometer cables
- Distributor cams
- Seat guides
- Water pumps
- Garage door channels
- Protects machines, tools and shop equipment

### 4. DIRECTIONS

- Shake can thoroughly before use.
- Apply on dry, clean surfaces.
- Use extension tube for precise aiming and hard-to-reach areas.
- Use with adequate ventilation.
- Do not apply while equipment is energised.

### 6. PACKAGING

aerosol : 12 x 400 ml

Bar code Nr. 8028687264005

8 028687 264005

Date : 31-08-2010
