TECHNICAL DATA SHEET BIKE DEGREASER

Ref. : 840

1. GENERAL DESCRIPTION

Extra powerful surface cleaner/degreaser.

A blend of powerful solvents and emulsifiers, combined to quickly remove grease, grime, dirt & oil from the chain and from all moving bike parts.

Easy to use, just spray it on, wait for some minutes and rinse off for collection and proper disposal.

2. FEATURES

- Cleans and degreases the chain.
- Cleans and degreases the brake disc.
- Cleans and degreases all moving bike parts.
- Stable, non-staining and non-corrosive to metals.
- Emulsifiers enable the product to be easily washed away with water. If necessary, collect the water mix for disposal according to local regulations.
- Equipped with a special aerosol sprayer head with extension tube for an easier use.
- The fast acting formulation saves time.
- Caustic materials free.
- Aerosols use butan-propane propellant to maintain high pressure to the very last fluid in the can.

3. APPLICATIONS

- Bicycle chain.
- Bicycle brake disc.
- Bicycle moving parts.

4. DIRECTIONS

- Insert the straw into the valve.
- Spray on surfaces to be cleaned and allow working for 2-5 minutes.
- Brush or scrape off heavy grease deposits.
- After application, re-lubricate the chain with one of the Super Help lubricating products.
- Check plastics and rubber compatibility before use.

6. PACKAGING

Aerosol : 12 x 400 ml

Bar code Nr. 8028687008401

Date : 09-01-2016
